Ironic cheers and handclapping came from the opposing faction in each case.

Hoover again has answered "No" to an inquiry whether he would accept the Democratic nomination for president if it was offered to him. In a telegram sent today to Chandler M. Wood, chairman of the executive committee of the Democratic state committee of Massa-

chusetts, Mr. Hoover said: Your published letter asking if I would accept the Democratic nomina-tion has been received by this morning, and I appreciate the implied compliment. I gather that it was written prior to a statement of mine last Saturday, which appeared in Boston and other papers. You will no doubt, therefore, now appreciate that the answer to your inquiry is 'No' ".

was originated in Chicago by a new organization that has for its purpose the destruction of the Brotherhood of Railroad Trainmen and the Switchment Union and in its inception had nothing to do with the wage question, but was a demand for the reinstanement of the leader of this opposition organization. After this strike was instituted for this purpose, the leaders of the new organization then injected the wage question for the sole purpose of deceiving yardmen throughout the United States and promote the "one big union" ida. There can be no settlement of pending wage question while this illegal action continues. We insist that every other member of these brotherhoods do everything within their power to preserve their existing contracts, which, if abrogated, may take years to rebuild.
